“PU” NATURAL ALL PURPOSE DEODORIZER

FACT SHEET

Developed by a Mother of 2: when daughters suffered from skin allergies and eczema.

Mother's Little Helper: This all purpose deodorizer is made from an all natural enzyme formulated to remove bacteria-causing odors. The vanilla and lavender aroma fills the air, while the fast-acting enzyme clears the unpleasant odors away. Made from non-toxic and biodegradable ingredients, it absorbs quickly and has a light cleaning property making it the perfect deodorizer for any home.

The Vanilla Tangerine scent formerly called “PU” Diaper Pail Deodorizer has now been reintroduced as **“PU” All Purpose Deodorizer**. Vanilla and Lavender clouds and silky skin are what most of us like to envision when we think of babies. Newsflash! Stinky diaper pails come with that package too the **“PU” All Purpose Deodorizer** can clear at least one ugly image from your blissful vision, filling it up again with delectable aromas of sweet Vanilla-Tangerine or Lovely Lavender scent. It is so effective for so many other purposes it had to be re-named it **“PU” All Purpose Deodorizer!**

This unique product is environmentally sound and created with 100% essential oils, is safe to use around children and pets and is ideal for the bathroom, diaper pail, trashcans, pet odors, sock drawers and other common household uses.
